DIY Beading and Gemstone Jewellery Classes

The "Beading and gemstone jewellery" classes are offered to those who want to learn how to make jewellery of natural stones, Swarovski crystals, and various beads. This skill will help you make the most suitable jewellery to supplement your new dress, and to create gifts for your family and friends. You will enjoy this great creative activity, and will develop a terrific hobby.

The course consists of five 1.5-hour classes.

Topics:

Class 1 Introduction. Getting to know materials and tools. Working with wire and round-nosed pliers. Simple bead lacing: making your first earrings and a pendant.

Class 2 How to upgrade or repair your favourite necklace. Very often the thread holding the stones stretches, the locks fall off, and the beads get a "well worn" appearance. Together we will try to fix these problems.

Class 3 "Memory" wire. Making a bracelet.

Class 4 Working with Tiger Tail. Making a key chain or a bookmark.

Class 5 Designing and making a necklace.

The classes will take place on

Sundays at 11:30 - 13:00, and Tuesdays at 18:00 - 19:30

at the Russian Church Hall at 4 Matina St, Narrabundah.

Sunday classes: 22 July, 29 July, 5 August, 12 August, 26 August.

Tuesday classes: 24 July, 31 July, 7 August, 21 August, 28 August.

The cost is \$100 for the entire course of five classes, or \$25 per class.

The payment includes the kit for each class. You can purchase additional materials before or after the classes. The tools will be provided for the lessons, and can be purchased if you want to take them home. Or bring your own tools if you prefer.

All proceeds from the classes will go to the Russian Church School.
